**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my local internet provider and I rely on their services both at home and for my online business. Please don't reduce competition and force us to use inferior services like Xfinity and AT&T that don't cater to our specific needs and offer substandard customer service. That would be a major disappointment for me and for others, I'm sure. I really can't imagine settling for one of those services now!
